Mr. Carl J. Leftwich,  
U S O for National Defenses, Inc.,  
P. O. Box 72,  
Wrightstown, N. J.

Dear Sir:

Your letter of May 18th addressed to  
Mr. Eddie Mosby, #1 Peshine Ave., Newark, N. J.  
has been referred to me for answer.

Mr. Mosby asked me please to write you  
and assure you that he will be very happy to  
bring the show to your U S O Headquarters at  
Fort Dix to entertain the soldiers stationed  
there. He said Tuesday, June 2nd would be the  
date he would like to arrange the affair for.

Please write and let me know just what  
time you would like the group to arrive in  
camp. The last visit the Picadilly show made  
to Ft. Dix, the group left Newark 4 P. M., was  
served a light lunch after their arrival at  
camp, and the show started at 8 O'Clock. If  
some other hour would be more convenient for  
you please let me know.

I would appreciate an immediate reply,  
as we may encounter a little difficulty  
arranging transportation due to the gasoline  
rationing. All the performers enjoyed their  
last trip so much they are really anxious to  
return again.

Very truly yours,
